Talent/Model Release Form – Volunteer (unpaid)

In consideration of the inestimable value of the social service programs and work that Volunteers of America provides to those who are in need in America, and in consideration of Volunteers of America allowing me to participate as a subject/talent/model (modeling) in a Volunteers of America photoshoot, I herein acknowledge that I do freely and willingly volunteer my modeling services for the purpose of being filmed or photographed. Furthermore, I understand fully that the filming or photographs for which I willingly pose will be used by Volunteers of America for the sole purpose of advertising, marketing, or generally promoting the social service programs, activities, and work of Volunteers of America, its national office and its affiliates.

I do hereby grant to Volunteers of America for whom I am voluntarily modeling, the irrevocable and perpetual right and permission, in respect to the film/photographs that he/she has taken of me or in which I may be included with others, to copyright the same in its name; to use, publish, transmit, and distribute the photographic portraits or pictures of me, individually or in conjunction with other photographs, in whole or in part, or reproductions thereof in color or otherwise, and in conjunction with any of the organization's printed matter, at its offices or elsewhere, in any and all media now or hereafter known, including but not limited to video, film, the internet, print, and still photography, for purpose of art, advertising, illustration, and trade, or for any other educational, charitable, marketing, or promotional purpose, as required by Volunteers of America.

I hereby waive any right that I may have to inspect or approve the finished product, or products, and the copy or other matter that may be used in connection therewith or the use to which it may be applied.

I hereby release and discharge Volunteers of America, its affiliates and their officers, directors, and employees, the contractor/photographer, and all persons acting under Volunteers of America's permission or authority, from any liability by virtue of any blurring, distortion, or optical illusion, whether intentional or otherwise, that may occur or be produced in the taking of said picture or in any subsequent processing thereof, as well as any publication thereof, and from any and all claims and demands arising out of, or in connection with the use of the film/photographs when used for the purposes as described above, including without limitation any and all claims for defamation, invasion of privacy, or violation of any right of publicity.

This authorization and release shall also endure to the benefit of the licensees and assigns of Volunteers of America for whom the film/photographs were taken.

I understand that you are taking these film/photographs in express reliance on this Release and I acknowledge that Volunteers of America shall own all rights, title, and interest in and to the film/photographs taken by the photographer.

I do hereby warrant that I am of full age and have the right to contract in my own name or have approval of my parent or legal guardian (as noted below).

I have read the above authorization, release, and agreement, prior to its execution, and I am fully familiar with the contents thereof. This release shall be binding upon me and my heirs, legal representatives, and assigns.
