

COLLEGE PLANNING  
EXPERTS

*College Planning Experts  
will teach you:*

- The 7 Biggest Mistakes parents make in preparing for their child's college education.
- How to get financial aid, regardless of your income or assets.
- How to increase your chances of getting your child into their "Best Fit" college.
- The 5 questions you need to get answered before you apply to the college.
- Why talented students may not receive a scholarship for college.
- How to balance the cost of education vs. the value of the degree earned.
- How to position your finances to get merit and need based aid.
- Why a 529 Plan and other college plans will hurt you more than help you.
